

Fun and friendly creative workshop days! August 2026

One-day creative workshops!

There's some great [art and craft activities](#) on offer at the **Bognor Makerspace** this August. Open to adults and young people over 16, it's a chance to work with our resident tutors to develop your skills in a friendly and supportive environment. Beginners are very welcome!

Beginners welcome!

■ **Stop-Motion Day** Tuesday 4th August

Learn the basics of stop-motion as used by Aardman Animations (Wallace and Gromit). Starting with Lego scenes, then plasticine, before making short films with our stop-motion puppets.

■ **Willow Lantern Making** Wednesday 5th August

You'll learn how to bend willow to sculpt shapes and then use special tissue paper to make magical lanterns.

■ **Macrame Plant Pot** Tuesday 25th August

You'll learn some creative techniques for painting and decorating a plant pot, and then make a macrame knotted decorative hanging.

■ **Printing Day** Wednesday 26th August

Learn some expressive print techniques, including screen printing - you can use these to print on paper or on fabric (to decorate t-shirts etc).

All workshop days: 9:30am - 3:30pm

Cost: £50 (includes refreshments and lunch)

We're wheelchair accessible!

To reserve a place, email info@bognormake.co.uk stating which workshop you are interested in plus provide full contact details. To find out more call Sarah on 01243 345239.
